There's something I'd like to discuss/
...Huh?

WHEN DID YOU TAKE THIS SORT OF PICTURE!?
SLEEPING IS ALSO PART OF THE JOB!?
OFFICE

I can't give you permission to publish this...
Just because it's funny doesn't mean you can make an article out of anything.
Th... That wasn't my intention!

...Well, fine.
...Lately we've been in one fierce battle after another, so I get the impression that the entire naval base is exhausted.
I hope I can contribute something to make things more lively but...
I...
I just wanted to express how rough your job is...
HEY, THAT'S A FRANK ATTITUDE...

Good grief...
IT'S IMPOS-SIBLE.

Guess I'll confirm various things while I'm at it...
I haven't been to the reference room since I took up this post...
But now I've come to get the original plates...

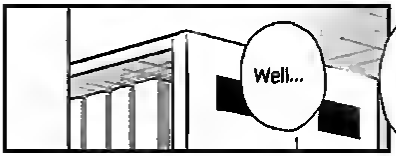
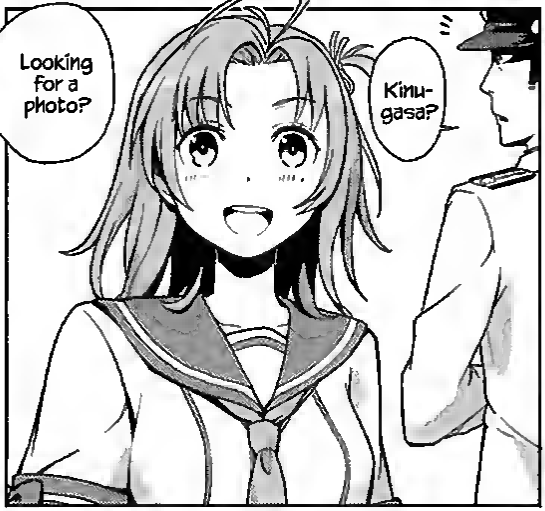
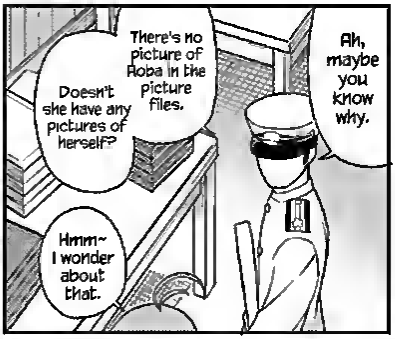
Oh! Admiral.
there's not even a single picture of Aoba anywhere...
What the hell... Not only are there no records of her operations,
...is this the last one?



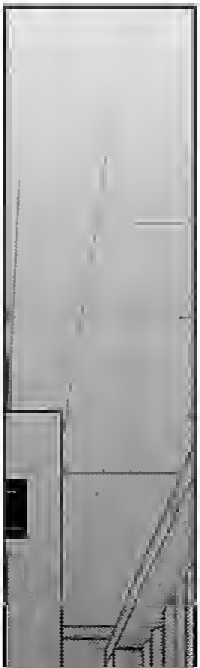
Well...



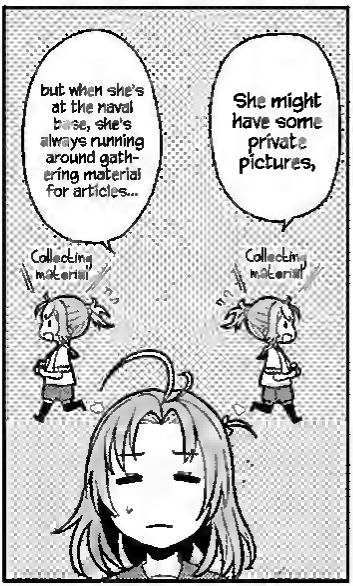
Looking for a photo?
Kinugasa?



Doesn't she have any pictures of herself?
There's no picture of Aoba in the picture files.
Ah, maybe you know why.
Hmm~ I wonder about that.



Admiral, why not take a picture for her?
It might please Aoba, you know?



but when she's at the naval base, she's always running around gathering material for articles...
She might have some private pictures,
Collecting material

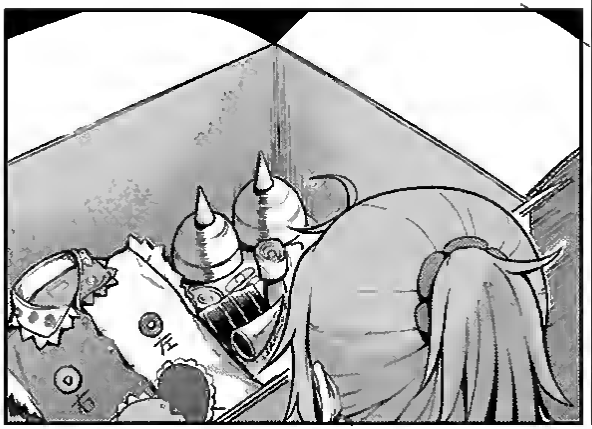
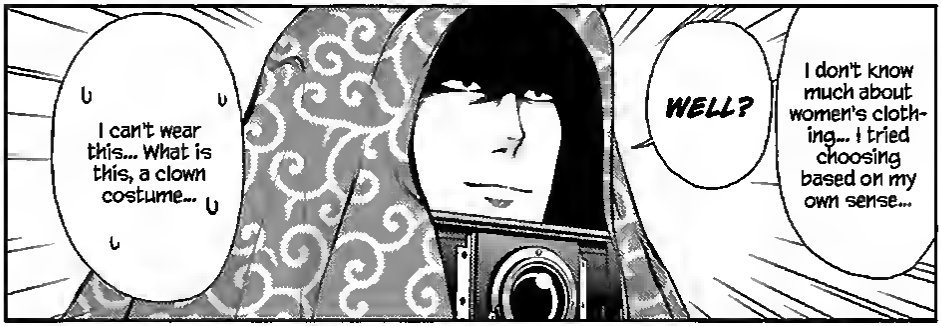
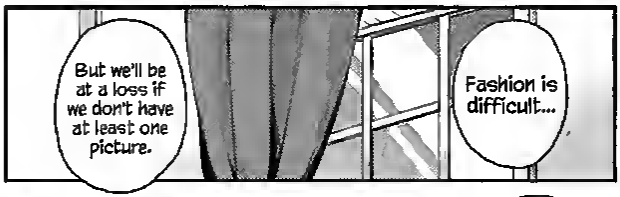
Oh? What are we getting ready for?
You don't even have a single picture of yourself, right?
Eh!?
It's Aoba! Do you have some business with me?
Oh... You've come.
Well, let's immediately start getting ready.
Since you're always the photographer, it's no wonder there aren't any pictures of you!
So today...
You can't take a photo, unless there is a photographer, right?
...In the reference room, I just confirmed that you don't even have a single photo on file...
I'LL PUT ALL MY ENERGY INTO TAKING PICTURES OF YOU!
BY THE WAY, I'VE PREPARED SOME FASHIONABLE CLOTHES FOR YOU AS WELL!
FEEL FREE TO CHOOSE WHATEVER YOU LIKE!
みかん



Oh... Thanks, but no thanks.



I don't know much about women's clothing... I tried choosing based on my own sense...
WELL?
I can't wear this... What is this, a clown costume...



Fashion is difficult...
But we'll be at a loss if we don't have at least one picture.

...I don't have any private pictures!
Is that so...?
Then I'll have to take your picture.

You have at least one, right?
In that case, even a recent private picture, or something, will suffice.
!

I'm sorry you went to so much trouble, but to wear this, I'd have to paint my skin and hair...
WOULD YOU HAVE TO DO ALL THAT JUST TO WEAR THOSE OUTFITS!?
What is this...
I definitely don't wanna wear it.
...Anyway, I'll pass on this time's photo shoot...

You're gonna paint your hair and skin, right?
I'm certain there's paint on that shelf...
AOBA!?

Uwah!
WAIT! WHY ARE YOU RUNNING AWAY!?
IT'S A PERVERT!
SOME-BODY HELP...
UWAH! SERIOUSLY GROSS!
COME ON!
There's the per-vert!
PLEASE WAIT... AOBA!
You wait, pervert.
...Aoba, why?
Why did you run from me.....
KUH...!

...Commander, I'm sorry
What's with you...?
EEK!!?
ISN'T IT BECAUSE YOU GOT FRESH WITH HER, YOU BASTARD...?
